

CI and MORE

With *Diego Ojeda*

A practical and open minded CI workshop for World Language teachers

Practical Ideas and Strategies

This workshop is designed specifically to provide World Language teachers with dozens of easy-to-implement activities and strategies to enhance students' success understanding and communicating in the target language. Award-winning Spanish teacher Diego Ojeda has created an idea-packed workshop that will show you how your students can discover and experience the target language in an active and energetic way.

Key benefits of attending

- Use Comprehensible Input Strategies to Increase Your Students' Proficiency in the target language.
- Expand Your Students' TL Acquisition
- Increase Students' Interest in the TL Language and its Culture

Diego Ojeda is a passionate Spanish teacher and an accomplished world language presenter. He has been recognized and awarded for his outstanding teaching style that he brings to the class and enjoys sharing with his colleagues. Diego's instructional strategies can be easily adapted to any language proficiency level.

Diego is co-founder of #langchat, a Twitter chat that has supported many world language educators in the US since 2011. He also is co-founder of #CharlaELE1 and #InputComprehensible Twitter chats where Spanish teachers around the world share and collaborate. Diego has trained over 4,000 world language teachers in the US and overseas.
